

Continental IC 40 Crossply – for longer life

IC 40 Extra Deep

Designed for applications in gruelling conditions, the IC 40 Extra Deep has a solid, lugged tread pattern which ensures maximum traction and minimises damage. Crossply tyres from Continental are extremely wear-resistant and offer outstanding ride comfort. Design features such as low rolling resistance, good traction and lateral stability benefit all plant service vehicles.

Applications

- Forklift Trucks
- Platform & Lift Trucks
- Ro-Ro Trailers
- Side Loaders
- Industrial Tractors

IC 40 Features

Operational Benefits

Extra-deep lugged tread pattern

Excellent traction
Reduced tread damage

Enhanced sidewall stability

Reduced tread damage and
improved safety

Low rolling resistance

Excellent fuel economy

Damage resistance

Reduced wear for longer life

Good stationary stability

Safer for high lift trucks

High mileage performance

Longer service life

Excellent traction

Improved mobility on all terrain

Enhanced ride comfort

Maximum driver comfort for less
driver fatigue

IC 40
